

CLONING VISUALISATION

PYTHON 3.7.3

JUPYTER NOTEBOOK

CODE BY: NICKY NG (GITHUB: AHJIMOMO)

PROJECT BRIEF

The project assignment requires us to recreate the visualization chart with provided data on Movies for analyst and reporting.

The data will be provided in csv. format

This data is provided and credited to the [SuperDataScience](#) as of March 2020.

We are using Python 3.7.3 with Jupyter Notebook for this project.
